Announcement

Once again the members of the Ohio Shorthorn Breeders Association are offering a most outstanding lot of cattle. They have been selected by a very competent committee, and no inferior kind; dare be consigned. Ohio has more top-notch sires in service than any other state in United States. Hence; better cattle are naturally available for sale.

The swing is to Shorthorns. "They are tops as profit makers." They are the beef breed for the beef man and we have them for sale in the Buckeye State.

There are but eleven bulls offered, and each and every one of them are outstanding. They represent prodgeny of Ohio's outstanding Imp. bulls as well as the native Buckeye bulls, all being of famous breeding. We are equally proud of the female consignment. Also; there are a few bred cows with calves at foot, that are bound to be good three & one combinations for the beginner.

Many of the cattle are pictured, and we ask that you look at the individuality and then give consideration to the breeding, conformation, and color, of this beautiful lot of young cattle. Many of these cattle were shown at the State Fairs this last season, where they gave good account of themselves. You will find upon study of the tabulations that without fail, they are sired by unusually well-bred bulls, and from family lines that have proven their worth over a long period of years. It is our sincere hope that you will attend the show and sale; support these breeders who are pushing the Shorthorns on their swing upward.

All the cattle will be shown beginning at 9:00 a. m. so we ask that you come early and enjoy a profitable day with us. The sale will begin at 1:00 p. m. Lunch will be served at the sale barn. If you desire hotel reservations, please advise at an early date.

Free Freight Offer: The American Shorthorn Breeders' Association, Chicago 9, Illinois, will reimburse any purchaser or group of purchasers, who buy and ship a carload of ten lots or more from this sale to one destination, up to a maximum of \$200.00 for freight charges exclusive of cost of feed or incidentals. Shipment may be made only by rail and must be consigned to a point more than 300 miles from sale location.

Millbrook Diamond Grand 2392433, is a solid red full brother to Millbrook Diamond Art, the bull that was so popular at the 1944 Congress Sale, winning his class there and going to California at \$2600. That bull has done remarkably well out there. He was later shown at the Grand National where he was Grand Champion Bull and his calves won the first prize "Get of Sire." One of his calves was Grand Champion at the California State Sale and sold at the top price of the sale, \$1500. Millbrook Diamond Grand is also a full brother to Millbrook Augusta Brae, that sold in the Congress Sale in 1945, going to Mr. Straus in Maryland at \$2200. They brought her first calf to the recent International where she won the Junior calf class as an April 26th calf. You can feel assured of a great breeding bull in this family, that has done so well for us and their new owners.

Woodshade Augusta, a member of our 1947 show herd. She won fifth prize in the summer yearling class at the Ohio State Fair. Stood fifth at the Indiana State Fair in class of twenty-one. We purchased her dam, Augusta Bloom 6th in the 1944 International Congress sale. You will note Augusta Bloom 6th is sired by a son of the Perth Champion Millhills Ransom. Broadhooks Leader was the sire of the Grand Champion bull in this sale last year and also a first prize winning heifer. This heifer should be a good buy, for she is carrying the service of Imp. Pittodrie Upright.

Son of Golden Oak Prince Peter. Grand sire Imp. Calrossie Prince Peter. He is owned by Perry Stangel.
